

Fleming Big Bale Grabber

£POA

On order- awaiting stock. Euro bracket & plain versions on order. Large diameter 75mm clamping arms, grab a larger proportion of the bale than any other grabber, giving more positive grip and better bale protection. Removal bolt on the locking arm allows for bales to be stacked closer together. This results in individual arm movement, allowing the free arm to open wide for bale stacking bales. Please call 07900438990 for more information. Nationwide delivery organised by
